Subject: Invitation for your Diocesan Committee to Exhibit and Share

Please accept this invitation to participate in the 40th NCCS Biennial Conference in Louisville, Kentucky with an exhibit of your Catholic Scouting activities and programs in a forum called "Diocesan Showcase 2008" (Witnessing with Youth). As an exhibitor you have the opportunity to bring your knowledge and expertise to the table, as a diocese or eparchy, as an individual, or to represent your NCCS Standing Committee, and share your successful endeavors or promote your programs and activities.

The NCCS Religious Activities Committee considers it a privilege to offer this forum as we share religious programs that are essential to the Catholic Scouting program. We hope to attract more enthusiastic exhibitors as we build on successful forums like this in the past.

It is our prayer and desire that you or someone from you committee will participate in this event. Dioceses/Eparchies who participate, set-up and man a display table will qualify for a \$50.00 registration refund for one person. Refunds will be issued at the end of the conference.

To participate in this event, please complete the enclosed Reservation Form (*please review the nine (9) steps on the form*) and return the Reservation Form on or before February 15, 2008. We have a limit of 36 display tables. We will acknowledge your reservation and keep you updated as to our continuing plans. Thank you for your support.

Yours in Catholic Scouting,

Mike Conlon
Diocesan Showcase 2008 Chairman
