Function of the Training Committee

Mission

Formation and training of adult leaders to establish and administer effective Scouting Programs as youth ministry in Catholic institutions

Long Term Objectives

- Develop tools to form and train diocesan committees to function as effective support systems for Catholic scouting.
- Develop tools that can be used by diocesan committees to form and train unit leadership for effective ministry to youth through scouting.
- Work with committees of NCCS to update training materials with innovative ideas and methodology as needed.
- Assist NCCS committees in the development of specialized training and certification programs as requested.

Programs

The Training Committee shall:

- Develop and maintain the “Scouter Development: Ministry Formation for Scouters” adult formation program for use at arch/diocesan and regional levels.
- Develop and maintain tools for the formation of diocesan committees and the development of committee members.
- Develop and maintain unit adult training materials and programs (COR workshops, Catholic “Fast-Start”, unit “owner’s manuals” for pastors, etc.) that develop the concepts of Catholic scouting.
- Support the National Chaplain in coordinating the National Catholic Adult Leadership Training Conference, "Scouting in the Catholic Church", held annually at the Philmont Scout Ranch offered to leaders from all regions.
- Assist the development of specialized training materials as requested by NCCS committees.
- Plan and coordinate workshop programs offered at the Biennial meetings of the NCCS
